

International Workshop on Long Term Climate Development Strategies

Diálogos para um Futuro Sustentável

JUNE 27th

08h30-1h30

BRASÍLIA

Manhattan Plaza, SHN Q. 2 , Bloco 1 - Asa Norte

RSVP 17.06 • stella@gip.net.br

2050

The Paris Climate Agreement encourages all countries to elaborate their Long Term Strategies (LTS) to 2050. This event will debate how countries have already developed their LTS and how Brazil is planning to develop its own strategy.
